Item No. : Any other item(s) with the permission of the Chairperson.

- (a) The committee discussed about the performance of duty by the faculty during the just concluded MST examination and appreciates the cooperation extended by all the faculty members. However, it was felt that Dr. Aakashdeep Sharma, Guest Faculty (Police Administration) did not perform one duty as assigned to him on 11.03.2019. He did not come for duty and neither gave any prior information. It was difficulty to make alternative arrangements at 11th hour on that day.
- (b) The committee discussed about one answer sheet in which the candidate had not filled the particulars on the answer sheet. Still the teacher on duty in the room on that day did not bother to ascertain that all the answer sheets collected had all the particulars filled. This is a case of sheer negligence on the part of the teacher.
