Dear Sir/Madam,

I am desired to inform you that under the prevailing situation of Covid 2019 in the state , it may not be feasible for the students to visit different organizations for their summer training. Therefore, based upon the recommendation of the Committee constituted by the Vice-Chancellor, it has been decided that for the students of M.Com. 2nd Semester or other UG/PG courses having similar requirement or internship they need not visit the organizations of this purpose. The respective colleges may ask the students to submit their project reports based secondary data through online or other sources to the concerned college and viva voce examination after the required submission shall be conducted online or offline and the results of such students shall be declared by the University after receipt of the award accordingly.
