Guidelines for the DEA Internship Scheme

2. Details of the Internship Scheme of the Department of Economic Affairs are provided below:

Objective	To familiarize the selected candidates with the overall process of formulation of economic policies of the Government at macro level. To provide an opportunity to carry out research into a key and specific economic issue / problem faced by the country and offer solutions for the same.
Eligibility	Outstanding Candidates pursuing Post Graduation or PhD in Economics / Law / Finance/ Management from Universities / Institutions within top 25 ranks as per National Institutional Ranking Framework, by Ministry of Human Resource Development or International Institutes of repute are eligible to apply for the internship. <i>This program is not meant for graduate students.</i> This program is meant for Ph.D or post graduate students working on specific issues relating to macro-economic, management, capital markets, infrastructure policy, climate finance, financial and investment laws.
Research Topics	A list of indicative Research Topics will be made available in the DEA Internship Application Portal. Students are expected to apply against specific research study opportunities / Divisions. Candidates whose research proposals and competencies match significantly with DEA requirements will be given preference.
Duration	Internship duration would be not less than 3 months. Preference will be given to candidates who offer to stay for at least 6 months. Since the time duration is very short, interns would be required to carry out very intense study to ensure desirable outputs in a short time frame.

Token Remuneration	Token remuneration @ Rs 10,000/- per month per intern for PG and Rs 20,000/- per month per intern for a PhD student, payable on satisfactory completion of the internship and on submission of their Report/Paper/Feedback.
Declaration of Secrecy	Interns are required to sign a Non-Disclosure Agreement before commencing work.
Logistics Support	Interns will be provided with the necessary logistics support, i.e. office space and computer with internet facility.
Attachment	The interns would be exclusively attached with a Joint Secretary / Director / Office of Chief / Principal Economic Adviser.
Submission of Paper	The interns will have to present to the concerned Head of Division a Report / Paper on the allotted subject at the end of the internship. Simultaneously, they are required to give to the concerned HoD their feedback of their experience of the Programme on submission of their Report/ Paper.
Certificate of Internship	Certificates to be issued to the interns on satisfactory completion of their internship of not less than three months and on submission of their Report/ Paper / feedback / attendance certificates.
How to Apply	Interested and eligible students may apply on-line expressing their interest, supported by the recommendation of their institution, in response to the advertisement on DEA website (for the May-Nov. slot) for a period of 3 to 6 months. The Department places on its website a specific invitation for interns to express their interest for the same.
Number of Positions & Selection	Shortlisted applications received through online process will be considered by a committee, comprising senior DEA officials. The Department reserves all rights for offering internship to any candidate. Internship can be refused without assigning any reasons. Number of Internship will be limited to a maximum of 15 interns. Ten additional unpaid interns may also be selected, out of those ranking on top but could not be selected for the paid internship.
Conditions	Interns are expected to take the opportunity seriously. Interns, whose performance is unsatisfactory, may be relieved prematurely. The internship is neither a job nor any such assurance thereof in the Department of Economic Affairs.

6. The applicant should register on the MoF-DEA intern application link (https://mofapp.nic.in/DEA_Internship/Default.aspx) of the Ministry of Finance and indicate in their applications their area of interest, duration of availability with dates / months and three topics of their interest, in order of preference, on which they would like to work during their internship. Details of business allocation to DEA and its divisions are available in DEA's website (<http://dea.gov.in>). Last date for application is within 15 days from the uploading of the advertisement in DEA website.
